## Spring Raffle (now until Friday, June 4th)

As you might already know, we are hosting a virtual raffle sale this year. Just like in previous years, each ticket = 1 entry into the raffle prize of your choosing. Please select and purchase the number of tickets you desire for the specified raffle prize you would like to be entered in. Each ticket is only \$1. All the funds raised this Spring will go into supporting families within our community who continue to require Forest Grove's compassion and support as the pandemic continues. Please remember that every dollar donated will be offered to families for essential necessities from groceries to household supplies. Thank you for your support

## Crosswalk

There have been a number of issues over the past few months of adults and students darting out onto Forest Grove Drive from behind parked vehicles to cross to the other side. Just today, a community member reached out citing 3 separate incidents where she needed to slam her brakes on to avoid hitting someone.

Please remember to use the crosswalk provided and to role model for our students how to remain safe when crossing a busy road. Thanks for your help with this.

## Math Contests

During the week of May 10th, intermediate students had an opportunity to participate in one of 3 Math Contests, some of them even international contests. We'd like to congratulate the following students that placed within the top 25% of students writing the contest.
