

Traffic & Parking

**SAFETY
FIRST**

Traffic Safety Volunteers Needed!

We need your help to improve safety during drop-off and pick-up times.

PAC is looking for:

1. A Volunteer Coordinator:

Someone to manage a signup sheet for volunteers. This role doesn't require being onsite, but we need someone to lead the efforts!

2. Traffic Safety Volunteers:

Adults who can assist during drop-off (8:35–9:10) or pick-up (2:40–3:10). You can sign up for as many or as few shifts as your schedule allows—every bit of help makes a difference!

The school will provide cones, safety vests, and signs to help ensure visibility and safety during these peak times.

Able to help?

Contact forestgrovepac@gmail.com

Bikes, Scooters & E-Scooters

Go very slowly to keep pedestrians & riders safe on all sidewalks around the school.

- 1. Dismount and push at walking speed**
- 2. Wear a helmet**
- 3. Store securely in designated areas**

Thank you for your support with reminders at home & in community.

Parking & Drop off

Please remember the following to **ensure safety** & help **traffic flow smoothly** for everyone.

- **Near the crosswalk** – no stopping with flashers on for drop off to keep visibility clear.
- **In the drop off zone** – please drop off quickly and keep moving to avoid traffic jams.
- **On the driveways** – no pedestrians, walk only on crosswalks to keep clear of vehicles.
- **Parking lots** – **are for staff only**. A short walk away, near the tennis courts, there is a large lot available.
- **Street parking** – follow city bylaw signs & keep all driveways clear.

Our RCMP School Liaison Officer & City Bylaw Officers work alongside us to keep students safe.
