

Attendance

**Can't make it to school on September 2nd?
Have you moved away?
Please let us know!**

Figuring out accurate student enrollment is a foundational part of school start up. Once student numbers are finalized, we can begin to organise classes for this school year. We hope to get students settled into their classrooms by Monday, September 8th. Updates will be shared late next week.

Safe Pick Up & Drop Off

Thank you for leaving your car at home whenever possible! Walk, scoot, or ride.

Student drop off zone – off East parking lot 30 seconds or less with no unattended vehicles

Parking is very limited – only along Forest Grove Drive and nearby streets in designated areas.

No access to parking lots please – already full to overflowing with staff access only!

First Week

Wednesday, September 3rd to Friday, September 5th
8:50 am to 2:48 pm
Grades 1 to 7

We chose the book **"Together a Forest: Drawing Connections Between Nature's Diversity and Our Own"** by **Roz Maclean** to guide our First Week. The author helps us explore how there is no right way for a mind, body, or person to be. Our learning will centre around the question **"How are we connected, learning, and growing?"**. We will continue our thinking about the [First People's Principles of Learning](#) and [Core Competencies](#). Students will be with their class from last year, balancing time in their homerooms and time in activity stations connecting with adults throughout our school. This will be familiar from our last two years. Stay tuned for glimpses into our learning.
